United Nations Headquarters

New York, NY 10017

Subject Justified Below

- Emergency duty of UN Chief of Legal Affairs---Deadlocks in UN Charter in context to Medical Sciences—An Intellectual Law War—set forever Permanently NONSTOP.
- Interim Response of UN Legal Affair Official to this Medical Doctor -is a Legal mandatory necessity—

Dear Mr. Stephen Mathias:

Greetings,

- Anti-UN Mission Activities.--Judicial Structure of UN Administration in context to Medical Sciences -even though founded for Protection of Human Generations -is working against it's mission-- for Giant Destruction of entire Human Race at grass root level, in Real World.

Interim Response of UN Legal Affair Official to this Medical Doctor -is a Legal mandatory necessity—justified below with common understanding:

- Anti -Charter Agreement—To forward an issue of Deadlock in UN Charter by any of it's 193 signatory member Nations will be Anti -foundational Treaty Agreement Activity -and UN Charter prevails all other treaties
https://en.wikipedia.org/wiki/Charter_of_the_United_Nations

Obviously, all relevant officials have investigated, examined the issues and then enter into dead silence. This twenty years of ongoing ordeal has propelled the issue to reach this point of-- exceptional situation for UN official accountable to respond this individual Medical Doctor, with relevance to it's own statutes—on urgency basis.

- Global issues with supporting Legitimate proofs of past twenty years (year 2000 till this date) are presented on the website www.legalmandate.com

Twenty years of very long time-period is good enough for UN Judicial authorities to set right the Global issues in context to obviously gross Deadlock in their statutes, by implementing suitable remedy in proper legal manner.

Ongoing dangerous Human Destruction in context to Medical Sciences—has compelled this Medical Doctor to confirm from UN Chief legal officials about how they have Deadlocked themselves and entire world-- destined to be vanished like Dinosaur species:

- "UN Chief Legal officials very well understand which specific articles are causing Deadlocks but neither they can never ever get Remedy within the system nor they can ever fix problems by implementing the Remedy from 'Out of the System" -even though they have exclusive legal Jurisdiction relevant to UN Charter".

To understand technical intricacies of this complex subject involves a 'Competent Authority' knowledgeable in new and extremely advanced subject matters such as Administration of Million year Institution—Medical Sciences, Human individual—Million year Property, very very severe Crime and very very severe Justice—Jersey Justice etc.

Above points clearly justify--Emergency duty of UN Chief of legal Affair---legal officials are responsible and accountable to figure out way to come out of the mess created by their own Statutes and Stop Human Destruction immediately, on urgency basis.

This Medical Doctor can be contacted on mobile [111-44-800007246](tel:111-44-800007246) or email: dr@legalmandate.com or dr@legalmandate.com

June 6th, 2019

Dear PM Mr. [REDACTED] Sir,

Congratulations for incredible victory to acquire position of Prime Minister of [REDACTED] again.

Our [REDACTED] being one of 193 UN Member State Nations, the current 'PM of [REDACTED] automatically acquires exclusive 'Solo jurisdiction', granted by Highest International Organization, United Nations, New York, U.S.A. --as per United Nation Charter link-- <https://www.un.org/en/sections/un-charter/preamble/index.html>

UN Charter is the Foundational Treaty Agreement (Legal Document)-- Agreed & Signed between only two parties--United Nations and all it's 193 Member State Nations including [REDACTED] UN Member State Nations are highest Leaders of their respective Nations such as The Prime Minister of India / The President of United States of America). Un-denied, it's exclusive Jurisdiction of only these two Administrative parties to fix the issue -- 'Deadlocks in UN Charter' in context to Medical Sciences.

Evidently, enforced by Laws/Statutes--the constitution of UN Charter-- rest of the people in Real world will continue to remain 'Dead-silent' on this issue relevant to UN Charter, with no other option but continue to be victimized, whatsoever grave it may be--Nonstop and endlessly forever.

On follow up phone call regarding Notification of this issue to United Nation Assistant Secretary-General for Legal Affairs, **Mr. Stephen Mathias** UN Head quarter New York, U.S.A.-- UN Treaty Division officials continue to persist with only one permanent answer--'Member State Nation needs to forward the issue'.

Immediate Pre-requisite for PM Mr. [REDACTED] to perform this mandatory duty of being Member State Nation [REDACTED]--is to issue Interim Orders to concerned officials-- to make necessary arrangements for his initial meeting in person with this Medical Doctor (Solo Competent Authority). To schedule Date, Time and Place of the meeting preferably in second week of June 2019-- official need to contact on [REDACTED] / dr@legalmandate.com

Dangerous damages to entire Mankind, due to continued negligence of PM of [REDACTED] alone -- to perform solo duty for his own Nation [REDACTED] & it's Citizens & entire world --are supported with legitimate evidential proofs of past two decades are presented on website: www.legalmandate.com

No escape by Law--- it is Urgency for Current PM of [REDACTED] Mr. [REDACTED] alone to Reply this Notice to United Nations in both situations -- Either perform his duty by forwarding this issue to UN, along with justified proofs for continued negligence of PM-[REDACTED] past two decades OR -- decline to perform this solo duty to UN for genuine reasons. This 'Unparallel Competent Authority',--deserves (earned need) to receive a copy of Mr. [REDACTED] reply to UN.

Essential supporting proofs of common understanding are included in attached three annexure. Further specific questions will be answered only in person, for confidentiality reasons.
Sincerely

Annexure # 1

Ultimate Urgency for PM Mr. [REDACTED] alone to Forward the Remedy to UN –Imperative by Law

Ongoing Dangerous impacts on all 193 member Nations due to Negligence of PM [REDACTED] in forwarding the Remedy to UN, for past two decades—are continuously multiplying with each passing date. Worth value of these damages are incalculable to Public in terms of it's precious Health & Wealth BUT insignificant to Administration of UN and it's Member State Nations. Innocent Public is paying the Administration very high price for being victimized in return.

To estimate it's extreme magnitude and intensity of the seriousness, involves legitimate evidential proofs of a long list of ongoing very very severe crimes across the world and that too lawfully enforced by Statutes/Laws constituted by United Nations and Agreed by all Signatory 193 state Nations are such as for example ---

- Such Lawfully enforced crime by the Administration--has compelled the serious legally entangled situation in the Real world, that no-one in the entire world (including UN itself & all it's 193 Member Nations) can never ever provide the Remedy—even-though the entire world very well realize-- the problem is Grave and grossly obvious, with common understanding. Permanent damages to all 193 Nations are beyond control of any super power on Earth--to stop it.

Thus, only option for UN is to implement Pioneering Remedy that will Safeguard the Human generations. Such Remedy, no-one in the entire world can never ever provide, unless and until UN can stop the ongoing very very severe Crime of common understanding.

A long list of Lawfully UN enforced, ongoing very very severe Crime includes—Anti-UN Mission Activities by it's own Judicial system with it's own constituted Statutes/Laws, Anti- Foundational Treaty-Agreement Activities(UN Charter) of officials-- within the system, Anti-World Law Activities—outside the system, Anti-Patriotic Activities of all 193 UN member State Nations for having their exclusive jurisdiction, relevant to their own Nations and respective Citizens & India is not an exception, etc.

To stop very very severe Crimes --Relevant Competent authorities will need legitimate evidential proofs/documents/live demonstration etc.—to declare very very severe Justice—'Jersey Justice'.

Only this Medical Doctor is the solo competent individual to provide these proofs of past twenty years, only to those Competent Authorities that have exclusive jurisdiction to fix it, in Proper Legal Manner.

Annexure # 2

Pioneering Contribution 'Competent Authority'—this Solo Medical Doctor

Unparallel Merits

Pioneering contribution is essential Pre-requirement for both the Parties-- UN and all it's member Nations --that will enable to them to fix serious problem of their exclusive jurisdiction. This is a Vital necessity for entire Mankind on Earth Planet. Few Major contribution with Unparallel Merits-- First time-ever

- Pioneering Remedy to enable PM [REDACTED] to discharge his duty of exclusive solo jurisdiction granted by UN. Remedy is world accepted and 'Ready to Use'
- Identified most dangerous issue in relevance to existence of entire Mankind on Earth. "Deadlock in UN Charter" in context to Medical Sciences—specific Statutes/laws in UN Charter
- Identified two Global Giant issues - Medical Sciences (Global Medical Education/Practice and Social issue of Innocent Children being victimized in Custody Battle, Family Law Court— on basis of Medical Sciences) –immense value to Human generations with involving unlimited Worlds of businesses all over the Globe.
- Presented world accepted 20 years of legitimate Evidential proofs with supporting legal documents for the ongoing very very severe Crimes, lawfully enforced by UN Charter— website : www.legalmandate.com involves very very severe Justice—'Jersey Justice'.
- Pioneering Preventive Remedy—mandatory for each and every Human individual living on Earth to get educated and trained –in unique way of mass media communication-- based on Five fundamentals of Medical Sciences. Aim is that no one can never ever dare to repeat such unforgivable mistake in future time. Public is ready to get started and ready to start businesses are infinite all over the world.
- Radically redefined Fundamentals of Medical Sciences in terms of 'Laws of Nature' for the existence of Human life on Earth—The Administration of Million Years of Institution. When Law exists, justice also exists as well.
- Obvious Scientific proof—that each and every Human individual is a Million Year Property of The Administration of Million year Institution—The Medical Sciences.

Annexure # 3

Official Pre-Requisites for PM Mr. [REDACTED] - To forward this specific issue to United Nations--

Now & Never, world accepted 'Pioneering Remedy' is coming from the Administration of Million Year Institution –Medical Sciences--to set right the serious Permanent Global problem created by Man made Administration of Deadlocks in UN Charter--'Ongoing **Destruction of Entire Mankind at it's Grass-root level, Forever**'

To get it implemented in Proper Legal Manner –is exclusive jurisdiction of United Nations because bottom-line problem is World Intellectual Property Law issue.

Moreover, this Remedy involves extremely advanced and new Knowledge and it's **core element is 'Tacit Knowledge'** as presented on website www.legalmandate.com . Due to Deadlock in the UN Charter Treaty Agreement--there can never ever exist any 'Competent Authority' in the world to comment on it / support it / provide alternative Remedy.

Thus, it is legally mandatory for UN authorities to accept Transfer Technology of this Remedy directly from this Medical Doctor alone. Only possible way to Transfer Technology is -- with Live Demonstration to only Competent Authorities, for the First and Last time, in One Stop Event.

This Tacit knowledge is extremely advanced new subject matters –nobody even heard about it such as- Biotech Translational Medicine where knowledge of Medical Sciences is translated in legal inventions of Medical Device/technique, Administration of Million Year Institution, Very very severe Justice called as 'Jersey Justice' for very very severe Crimes lawfully enforced by Deadlocks etc.

Sole Jurisdiction of PM Mr. [REDACTED] alone to reply his decision to UN--

Either---To perform his duty by Law -- forward Global Issues to UN, along with:

1. **Nominate A very Special Official Position** to this Medical Doctor—for having the self-earned position of *Justified Counsel of Administration of Million Year Institution*—First time ever in the entire world as justified on website www.legalmandate.com –Never Happened Before.
2. **Instantly Issue an 'Initial' Bank Check** of justified Dollar amount \$900 M (Nine Hundred Million Dollars only) in the name of this Medical Doctor [REDACTED] to be received within seven business days.
3. In the mean time of these seven days, either nominate a 'Competent Authority' to discuss & decide—the Dates, and justified Dollar amount to be paid to this Medical Doctor, subsequently--or else-- Agree to pay the Dollar amount figures on the specific Dates provided by this Medical Doctor.

This is the just a little Worth value of the Priceless Pioneering contribution essentially needed for the Solo Jurisdiction of the Prime Minister of [REDACTED] --which no-one in the world can never ever provide, due to UN Deadlock.

Or---PM of [REDACTED] Mr. [REDACTED] may decline to perform his mandatory duty also must be replied to UN.

Ignorance is Evil and how dangerously it is destroying Human Race at Grass Root level justified below with common understanding to enable concerned Legal Officials End the ongoing Intellectual Law War due to Deadlocks in UN Charter, urgently.

For the Vital Necessity of our Nation America & its Citizens to fix ongoing Dangerous impacts created by Deadlocks in Statutes of United Nation in context to Medical Sciences.

Conflict To fix Deadlocks in UN Statutes UN Treaty Division persist UN member State Nation has to forward the issue AND None of the 193 member Nation can never ever forward the issue because they have already signed the UN Charter the foundational Treaty Agreement that prevails all other treaties..

Two decades 2000 to 2019, UN could not fix Deadlocks because within system nobody can never ever provide Remedy to End Intellectual War AND UN can never ever implement Remedy from Out of the System. Thus Human Destruction will continue forever, endlessly unless and until Deadlocks are fixed.
