Dear Sir; Thank you for talking to me on 23rd July last month over the phone about Deadlocks in UN Charter --in context to medical sciences. This issue is not only of Planet Earth but Extraterrestrial relevant to UN Charter. Being its signatory body as per Articles in UN Charter-'only UN Chief alone has exclusive jurisdiction to issue orders to fix Deadlocks. Since I have Pioneering Remedy for SG to get Deadlocks fixed--I am the Solo Competent Authority on Earth to notify this issue to him directly .Due to Deadlock entire world is legally stonewalled to notify him. Details are included in attached file--signed & scanned letter to SG with essential proofs for further proceedings.

As suggested I sent e-mail addressed to [gld@un.org](mailto:gld@un.org) Obviously accordance to Deadlock - no one in the world on planet Earth has jurisdiction to notify this issue to UN-SG. Thus to request you is the only to let him acknowledge very very serious issue relevant to his solo jurisdiction on Earth. Please do not hesitate to contact me for any question in this exceptional and intensely advanced legal situation. Thank you in advance. [REDACTED]

Unquestionable Grossly Obvious Legitimate Proofs

Relevant to the Chief of United Nations Administration—Deadlocks in UN Charter

15<sup>th</sup> August, 2019

Mr. Antonio Guterres  
Chief of UN Administration  
United Nations Head Quarter  
405 East 42 nd Street  
New York, NY, 10017, U.S.A.

Dear UN-SG Guterres,

Greetings.

In accordance to UN Charter Article #... UN Officials of Legal affair needs relevant UN Member State Nation (193) to forward the issue of Deadlock in UN Charter with Remedy AND none of 193 UN Member State Nations can forward it unless and until UN Chief issues such instructions in writing—for the reason that they have Agreed and Signed to comply with UN Charter-Foundational Treaty. Recent proofs (UN Legal Chief, India & America member Nations) are enclosed.

Due to Deadlocks in the UN Charter—no one on planet Earth has jurisdiction to notify the UN Chief, this Pioneering issue of Extra Terrestrial laws ( Medical Sciences) in context to Terrestrial Laws ( UN Charter).

With Pioneering contribution, this solo Medical Doctor alone is the Competent Authority on Earth, to provide the UN Chief—the world credible Remedy to fix the Deadlocks—for being the First Counsel of Extra-Terrestrial Laws of Million year Institution. This Remedy is the essential necessity for UN Chief to respond the commanding orders of Extra Terrestrial Intelligentsia.

Deadlocks in UN Charter is Solo Jurisdiction of the UN Chief for being it's Signatory body —

- Article # ....has legally stonewalled—the Chief of UN that no one can notify this dangerous issue of Deadlock – neither within the system nor outside the system of UN organization.
- Article #....has legally stonewalled the entire world to provide Remedy to fix the Deadlock. Past twenty years are standing proof of suppressing the Remedy to the extent of being sacrificed forever by UN Judicial system—because they have to work within their legal framework--Signed & Agreed.

All 193 UN Member State Nations and UN Administration of Terrestrial laws (UN Charter) are LEGALLY bound to comply with UN judicial system and, this issue of Extra Terrestrial Laws is beyond their legal framework so they will continue as it is forever, unless and until UN-SG issues orders.
