Interim Public Announcement From UN-Chief

Dear Sir,

Ref. as per requirement, I sent email to your email ID addressed to Chief of UN Administration dated 16<sup>th</sup> August 2019. Deadlocks in UN Charter Articles #.. is exclusive jurisdiction of UN to fix it. So far, I did not get any intimation for the next step through relevant Member State Nation India Mr. Narendra Modi The Prime Minister of India Office in New Delhi, India. Unlimited follow up Phone calls and personal visits were never responded by concerned officials in Prime Minister Office.

Bottom-line issue : UN Administration of its statutes/laws ( Terrestrial Laws) are lawfully enforcing public to Violate Laws of Medical Sciences ( Extra Terrestrial laws) and destroying Million year property the Human from its Grass root level .

In absence of any interaction in person with this Medical Doctor either directly with UN Official/member state or indirectly with people on-- only UN provided Global platform-----serious Destruction of Human Generations will continue forever – because-- this is what both institutions signatories –The United Nations and its 193 Member State Nations highest Political Leaders, are duty bound to continue as it is—in accordance to their Agreed and Signed UN Charter—the UN Foundational Legal Document in Year 1945 link <https://www.un.org/en/sections/un-charter/un-charter-full-text/>

Because of Deadlocks in UN Charter , lawfully enforced by man made UN Laws ( Terrestrial Laws)—Public is lawfully violating these Laws of extremely powerful Extra Terrestrial Administration through seven levels of Very High profile businesses across the Globe—targeted to destroy Mankind from grass root –uncontrollable. Only option to safeguard Mankind is Interim Remedy to fix Deadlocks.

Innocent People across the world are ignorant about this fact that they are paying their hard earned Dollar amount in form of various Tax money to get themselves and their own generations being seriously damaged for many decades. This cycle is set on automatic mode to be continued forever—until Human Species is vanished like Dinosaur, very Soon. Its beyond Human imagination and super computer to calculate Damages caused to Mankind even for a single passing day. Ignorance is Evil.

I am the solo Competent Authority to prove it with Live Demonstration, legitimate proofs of very very severe Crimes etc. and very very severe Justice—known as Jersey Justice. Pioneering contribution is made by an individual Scientist alone and for legal reasons in this case no one can support / comment /

raise issue / provide Remedy unless and until UN provides the Global platform. Essential information is presented on website: [www.legalmandate.com](http://www.legalmandate.com)

Medical Science is Extra Terrestrial Administration: Unquestionable Proof--- each one of us being Human is born from a Mother and no Mother is paid money of a Dollar amount for bearing nine months pregnancy and giving birth to her baby for next Human generations. This process of Human Reproduction involves laws of Medical Sciences such as Anatomy, Physiology etc. (Extra terrestrial laws and its Administration of Million Year Institution). The perfect Administration of these laws that governs three trillion cells of each human body is not Human Intelligence because we Human did not make these laws. Its source may be from another planet that are very advanced than Human /Alien/ God/ Super Power...keep guessing--- that are experimenting on us.

For Above reasons, each one of us, Human individual living on Earth is equally accountable to join together to set right, unforgivable Human mistake of Deadly Killer UN laws, in Proper Legal Manner.

Relevant to Deadlocks, UN officials alone are accountable to take First initiation step for having exclusive jurisdiction ---to enable each one of us across the world, from their respective position of High and Low--participate on Global platform (may be world TV Channel to begin with)---to Thankfully honor Administration of Extraterrestrial Intelligentsia that made each Human body to exists on Earth---get implement the Remedy that comply its Laws and Advance Peaceful Human Civilization with Unique Education --a Preventive Remedy, in Proper Legal manner.

UN Officials, Please figure out the way to fix Deadlocks and enable Public to participate in the movement for Freedom of entire Humankind from Slavery, lawfully enforced by UN Deadlocks. Interim urgency is the best option for UN Chief to compensate Public for serious Damages caused by UN constituted Laws to avoid putting more burdens on Public. Law is equal for one and all and Fine of Dollar amount for delay of each day will continue to multiply to be paid by UN too.

We, all people on Earth, are waiting for UN officials to make Public Announcement for their steps to protect Human Generations from their own constituted UN Laws and Advance Peaceful Human Civilization, Right now, in accordance to their own UN mission.

Sincerely
