This Medical Doctor is the First, to coin Medical Science –Million Year Constitution Administration for the Legal Freedom to Unlimited Prosperity, slide #.

For Legal Prosperity, with Global Education--the team of Global Scholars will design its curriculum & Syllabus in Proper legal manner, its mandatory for Global Mi Lord with Bench of justice, to issue final verdict orders of

implementation, in one time & one day event—the simplest & quickest legal way.

No Global authority/ Global Mi Lord or Global Court of justice exists, so far.

IMPOSSIBLE in future too—to designate Global MI Lord with Bench of Justice is—Never ever.

To designate, Global Mi Lord, all legal scholar & everyone in the world, are Deadlocked under the highest Administration of Chief of United Nations, (UN-SG) since year 1945. That's why this case is presented on social Media Annexure #...

As Agreed & signed the legal document of laws/statutes prescribed in UN Foundational treaty UN Charter web link www.un.org between United Nations & its 193 UN Member Nations (Government)-- entire world including UN Chief is law bound to prohibit Prosperity & any action to set ourselves free to prosperity is illegal/non- constitutional, very serious offence no one can dare.

United Nations is an International & Political Organization (Not Global), so the Chief of UN Administration has no Jurisdiction to get involved in Global Education nor its UN agenda to designate Global Mi lord--constitutionally.

To designate Global Mi Lord with Bench of Justice is Inevitable for existence of entire Human Race on Earth for two obvious reasons—

First reason-- to begin New Era of extremely advanced prosperous & Joyful Human Civilization based on solid foundation of basic essentials of Medical Science taught in School text books. This Million year constitution Administration works for existence of each one of us with mathematical & Molecular precision. So every child is its Million year LIVING property (Ancestral Maths is proof) and present generation is accountable & law bound to protect it from on going serious damages with deeper understanding of common knowledge PLUS enhance its quality during zero day to 18 years—extremely crucial for development of upcoming generations —**'Give My 18 Years'**.

So everyone is law bound to get Educated & Trained with new set of Education—not to violate Laws of Million Year PLUS comply with its Laws to enhance quality of Children—strong foundation for next generations.

This Global subject matter is knowledge based involves very many new advanced multidisciplinary specialization such as Global knowledge/Intellectual Economy etc. –never heard before. Live Demonstration of legally endorsed remedies by prestigious Federal organization with legitimate documented proofs of agreed & accepted by relevant world authorities with list of dates of Events, clinical, academic, legal etc. are necessary for deeper understanding to experts that have jurisdiction--Bench of Global judges, presented on my website with continued progress of two decades to reach this point on social media, with date of legal endorsement by U.S. Federal organization, web link www.legalmandate.com

Second reason-- under Lawfully Enforced UN Chief Administration , on going Burning of Roots/foundation of entire Human Race, is Beyond control of any mighty law /power. The list of over 30 channels of damages to Humanity Mankind & Public at large is grave & grossly obvious, Annexure.

Millions of Innocent Children in all 193 Nations are being victimized—between age group of Day Zero—18 years. Two Global issues relevant to Medical Sciences--are grave and grossly obvious –scientifically wrongful Education to all Medical Doctors to get Degree in Medicine – whole foundation of OB/GYN subject AND Child custody Battle in Family Court of Law—Preventive & Social Medicine. Every child is crying to be protected from on-going Injustice & get Justice with '**Give My 18 Years**' with new set of Education.

These issues are Horrendous very very Severe crime SMART Crime (no one get caught to be punished), legally attested/ endorsed by entire chain of judiciary from lower court of law up to UN Chief. Attached list of over 30 channels are evidential proofs of serious damages to each one of us and public at large of 193 nations, slide #.

Educated People (slide #) are in highest Administration, crime doers are all educated professionals like Medical Doctors, lawyers & judges, Media, Teachers, Book Publishers etc. & Funding is provided by each one us, law enforced –long list of tax money starting from taxes included in bottle of

drinking water & daily Bread etc. This Public Purse money runs both UN & 193 UN Member Nations (our Government). All set on automatic mode the Wheel of Smart Crime will continue forever, shown in slide.

Horrendous Smart Crime will continue to grow forever because no Government / UN Administration will never tolerate violation of its Laws & burning its property.

Natural Laws are Mother Source of all Man made laws--

With Deep understanding of basic essentials of School Textbooks –grossly obvious reasons the Mighty Administration of Million year Law Constitution will not tolerate violation of its laws and burning Roots of Human Race by man made UN Law Administration, even for one moment of time.

All man made laws are derived from Natural Laws—every one knows. In this case, UN Laws are Man made Laws & Medical Science—the Constitution of Million year Administration for Human Race are Scientific Natural Laws.

No Law & none of us, is above this Constitution of Million Year.

Role of presenting Medical doctor—

First Medical Doctor to identify Deadlock in UN Charter, First to coin Medical Science as Constitution of Million year Administration for Human Race, First to solve impossible problem with Pioneering protocol Procedure , First to identify damages to public with long list of 30 channels, First to be Ready for Live Demonstration of world accepted remedies with legitimate proofs, to Global Mi Lord on Global platform from official legal position—all in one time & one day event.

The simplest & quickest way to designate Global Mi Lord –immediately:

Origin source of Smart Crime is Deadlock in UN Charter under the individual Administration of UN Chief. So UN Chief is the only & only legal authority on Earth to have exclusive jurisdiction to designate Global Mi Lord with consent of Public of 193 Nations –simple legal requirement for UN Chief to proceed further—Pioneering Legal Protocol Procedure, shown in slide.

Only UN Member Nation The United States of America has exclusive Jurisdiction to lead the world for reasons shown in slide.

Further discussion /debate/questions etc. . will go nowhere & illegal until presented to Global Mi Lord. Delay of each passing day losses due to on-going Horrendous damages to public PLUS losses due to prohibited unlimited benefits of prosperity will continue to add with delay of every day & Night passing by. Law & justice is equal to one & all.

Do-Nothing is no one's Free Will , anymore--totally NOT acceptable to mighty Million Year Constitution Administration for being creator of each one of us, Humanity, Mankind & Human Race at large.

Now onwards its your turn to make sure Public & Chief of United Nations, designate Global Mi Lord within Time Frame of two weeks with starting date....

Good luck to all of us to begin Joyful New Era of Prosperity. Bye Now.
