**CLAIM:** According to UN Charter Administration—

- Non- Constitutional/illegal Administration of UN Charter

Current UN-SG is waiting for this CLAIM on his table past 23 years, because this CLAIM is of serious concern to every official holding the position of UN-SG, starting from Year 1945 till Unlimited time.

Its content is inevitable legal requirement for UN-SG to get all UN-SG, officially endorsed to become **NOT GUILTY**. In accordance to the Constitution of UN Charter all UN-SG are **FOUND GUILTY FOREVER--Non Constitutional/ Illegal Administration of UN Charter, officially endorsed by its own Administration.**

This illegal Administration has created Dangerous World Health Emergency, so Only UN-SG alone has exclusive jurisdiction to protect Human Race, by only his designated UN Charter Lawmakers/Scholars.

Even though Empowered with highest jurisdiction of The One Man ruling the world/193 Nations, UN-SG can never ever become NOT GUILTY, without legally endorsed remedy—and that essential remedy only I am the Pioneer Medical Doctor, qualified to bring it on his table. This exclusive jurisdiction is awarded by relevant Federal authorities of my country, a UN Member State Nation, United States of America.

To protect Health of entire world, I had to work hard for 23 years of dedicated innovative research & Beyond the framework of the Constitution. Endorsed calendar date by legal authorities, is obvious proof that no one can never ever be more qualified than me, to bring the essential remedy on UN-SG table.

This Health Emergency, is the obvious proof that Humankind will continue to get destroyed forever until the calendar date, UN-SG are FOUND NOT GUILTY. Nobody other than Law Makers/Scholars of UN Charter, can even talk about this issue because its Non constitutional/illegal- so a serious offense and no one can dare to get imprisoned to jail for achieving nothing.

None of the 193 UN member Nations (Government) has jurisdiction to forward this CLAIM to UN-SG, as required per UN protocol procedure for obvious reason-- they are all Bound to comply with Constitution of UN Charter, as Agreed & Signed since 1945.

So, we are "ALL SET" on automatic mode, under One Man Ruling the World/ 193 member Nations, by only one individual THE UN-SG, to destroy life of Innocent Children in Millions & Millions across the World / 193 Nations, for prolonged period of time from their Day Zero of conception to 18 years of life. its grossly obvious proof of Lawfully Enforced BURNING Roots ( Genetic Health) of Entire Human Race.

Since this World Health Emergency is created by illegal Administration of UN Charter, by UN-SG alone—only UN-SG has Exclusive Jurisdiction to manage it, Bound by Law of UN Charter.

The only WAY OUT to protect Humanity from ongoing serious damages, is to implement the remedy Legally endorsed under Intellectual Property Law, by relevant Federal Organization of UN member Nation, This is inevitably & mandatory requirement to fix the everlasting 18<sup>th</sup> century problem ( since year 1847 ) of Copyright under Intellectual property Law. In year 2000, my country, The United States of America, a UN member Nation has endorsed my invented, Remedy the US Patent #6027443 web link--  
<http://patft.uspto.gov/netacgi/nphParser?Sect1=PTO1&Sect2=HITOFF&d=PALL&p=1&u=%2Fnetahtml%2FPTO%2Fsrchnum.htm&r=1&f=G&l=50&s1> World authorities in Academic, Legal & Clinical fields have endorsed it to be Good for Humanity—so 'Ready to Use'.

This is the legitimate proof-- Now & Forever-- I am the only individual Pioneer Medical Doctor with relevant Degree in Medicine M.D. ( Ob/Gyn), qualified to have exclusive jurisdiction to CLAIM this issue to Current UN-SG --to protect Incalculable Innocent Children & Entire Mankind/Humanity. - They are Bound to continue Law enforced Very Very Severe & Massive crime--**SMART Crime** in Real World, because its **LEGAL**, as endorsed by Judiciary of whole world. Annexure # 2.

This is THE ONLY WAY, for ALL UN-SG to get officially endorsed to be 'NOT GUILTY'. Until the Calendar Date of this legal endorsement by Law Makers/ Scholars of UN Charter, all UN-SG will continue to be **FOUND GUILTY FOREVER**. So this CLAIM is Nothing personal. Annexure # 3.

UN-SG may want to decline meeting with designated Law Makers/Scholars **ONLY IF** – UN-SG can prove my CLAIM is wrong with evidential proofs such as-- provide parallel equally credible Remedy, any one human **NOT** born from Mother, one human allowed to live on Earth forever-- so denying laws of Human Reproduction—Anatomy, Physiology like Laws of the Constitution of Million Year Administration etc.

“No Law, and None of us is above the Constitution of Million Year Administration-The Medical Science’. UN-SG can never be granted immunity to his solo Administration of Law enforced Violation of its Laws and destroying its Million year Living property , The Children and Mankind-- with continued silence.

It has been extremely toughest CONTINUOUS PROCESS for an individual Medical Doctor to dedicate exclusively every moment of 23 years of life doing Innovative Research with legitimate proofs—Beyond the framework of the Man Made highest Constitution of UN Charter. Being Pioneer Medical Doctor, I am duty/Law bound by my Administration of Million Year Constitution to make sure Children & Human Race are protected, because no one in the world can never ever dare to get this Exclusive Jurisdiction.

**CLAIM: All UN-SG--FOUND GUILTY of--**

- Non Constitutional / Illegal Administration of UN Charter

In accordance to UN Charter, Article 100, Chapter XV: The Secretariat

UN-SG is the Chief of UN Charter Administration. Only The UN Chief is empowered with exclusive jurisdiction for administration of individual and independent Laws of UN Charter.

Administration of 'Deadlock' between two independent laws of UN Charter is Beyond & Above its Constitution. So, this is Non -Constitutional / illegal administration by all UN-SG. Moreover, this will continue for unlimited time, until the calendar date it is endorsed by UN Charter Lawmakers/ Scholars to be Constitutional/Legal Administration.

Nowhere in the UN Charter is mentioned about **Deadlock between two individual & independent Laws**. Thus, this CLAIM is extremely advanced subject matter for Law makers/ Scholars. So far, their jurisdiction is limited to comment on Constitutional Administration.

Since UN Charter comes under administration of UN-SG, he alone has exclusive jurisdiction to designate UN Charter Law Makers/ Scholars to verify the CLAIM and endorse it to be Legal.

**All 193 UN Member Nations are 'FOUND NOT GUILTY'.**

This Non constitutional Administration has created many more Administration of Deadlocks among different categories of Law such as Intellectual Property Law, Family Court Law, Negligence in Medical Education /Practice, Tax laws etc.—world-wide by all 193 UN member Nations.

This has created Serious World Health Emergency. As Agreed & Signed All member Nations are Bound to comply with Laws of UN Charter, so Administration of these Deadlocks under the umbrella of the Deadlock in UN Charter, is Legal.

Thus, all 193 UN member Nations (Government) that are actually doing Administration of The SMART CRIME ( Evidential proofs listed in 30 ways), are grave & Grossly Obvious) to the extent of Health Emergency in Real World are **FOUND NOT GUILTY**.

World Health Emergency is LEGAL—endorsed by world-wide Judiciary that is Bound to comply with Constitution of Man Made Laws

## THE SMART CRIME—Very Very Severe & Massive Crime

Administration of SMART Crime by all 193 UN Member Nations --BOUND by UN Charter. So, no one can never ever get caught to be punished, because, its legally attested by World-wide Judiciary—this SMART CRIME is LEGAL. Thus, All 193 Member Nations are 'FOUND NOT GUILTY'.

Grave and Grossly Obvious Lawfully Enforced Legitimate Proofs of Ongoing SMART CRIME across all 193 Nations in over 30 ways, for example --

- Funding to ALL 193 Member Nations (Government) for the Administration of SMART CRIME is from Public Purse Money collected from each and every human being (No exception and contradiction) – TAX Money includes Direct and Indirect Taxes. Indirect Taxes include TAX on basic minimum for like Bread and bottle of drinking water and even from newly born babies on infant food too.
- Ultimate beneficiaries of SMART CRIME are all Judiciaries of the world. They are implementing Laws in real world--with money making businesses,
- Obvious Injustice of two massive Global issues --Life of innocent children in millions, are being destroyed in Family Court of Law –Child Custody Battle, since 18<sup>th</sup> century AND Medical Education / Practice, compelling all Doctors to get M.D. Degree in Medicine to continue 18 the century Scientifically wrongful ( the Foundation of Human Reproduction subject Obstetrics & Gynecology) treatment for women patients and legally suppressing new inventions with Prestigious Patents etc. FOREVER. Thus, Progress and Prosperity of all 193 Nations –is Deadlocked FOREVER--Global Economy and Global Health etc..
- Each and every Human individual world-wide is lawfully engaged day and night, directly & indirectly to contribute to SMART CRIME--Professional Lawyers Judges, and Medical Doctors are actually doing the crime , Teachers, Mass media and Public all are supporting crime – because its all law bound. To raise the issue is serious offense that no one can never ever dare to get imprisoned for achieving nothing.
- All Library publications of the world is evidential proof—all waste of Time Money & Energy of World Education that cannot protect Innocent Children just because of Non Constitutional Administration of UN Charter by just one individual UN-SG..

### **IMPOSSIBLE to Stop Smart Crime within Framework of UN Charter --The Highest Man made Constitution**

This SMART CRIME is totally **UNACCEPTABLE** with Zero tolerance to the Administration of Million Year Constitution—The Medical Science --Scientific Natural Laws—the origin Mother source of all Man made Laws and UN Charter of 75 plus years is not the exception.

#### Law Enforced- Ever-growing SMART CRIME is extended to World Health Emergency NOW.

Basic essential Laws The Scientific Natural Laws of both Global issues of Grave Injustice are well known to every High School student from Universally standard School Text Books. So all Degree holders in Law and Medical professions know following Global Issues very well BUT this is Legal under the Illegal Administration of UN Charter by UN-SG.

Origin of SMART Crime—Two Global Issues coming from 18<sup>th</sup> century are endorsed Legal since year 1945, PLUS they are to be continued FOREVER, by UN Charter Administration.

- Violation of its Million Year Laws of Human Reproduction -- Scientific Natural Laws--The Medical Science. This is way more serious than Global Environment Issue because Health of every woman patient is destroyed and at the beginning of life of every child by every M.D. Doctor, extending to super specialist in Human Reproduction—BUT 'this is the way my Teacher taught'—so BOUND by Law.

Global issue of Scientifically wrongful Medical Education/ Practice of M.D. Medical Doctors since year 1847.

- Destruction of its Million Year Property--Innocent Children --for legally endorsed prolonged period of time - Day Zero to 18 years. Damages are carried for lifetime and generations after generations, so this issue is way more serious issue than Global Terrorism where only one generation is destroyed.

Global issue of Injustice to Innocent Children in Child Custody Battle—Family Court of Law since year 1869.

This Ongoing Burning of Roots ( Genetic) of entire Human Race will continue forever Rapidly and Non Stop

Every one knows--;Health' of every individual is functioning of trillions of living cells. Medical Science is obvious proof of the Administration of their functioning according to Constitution of Laws of Million year.

For Human Existence on Earth Laws of Human Reproduction and starting from Day Zero of conception, extending to its development up to adult life 18 years, are very crucial for Health of all Human beings. Genetic Health is influenced by Scientific Natural Laws of environment according to Million Year Constitution Administration, during this development period.

Medical Doctors with M.D. Degree in Medicine are at the forefront of Health care. For Health issues everyone totally counts on their professional Education /Practice & on Judiciary.

## Management of World Health Emergency By UN-SG

### Administration of Law Enforced : Very Very Severe Justice—Jersey Justice

The Ongoing World Health Emergency is created by Law enforced VIOLATION of Scientific Natural Laws that is Burning Roots of Human Race ( SMART CRIME) –the Medical Science

**Hence, the Jersey Justice is Lawfully Enforced Legal Remedies to COMPLY with Scientific Natural Laws—to Protect & Enhance quality of Roots of Human Race --The Medical Science**

UN-SG, THE ONLY individual on Earth has jurisdiction to Manage this WORLD Health Emergency: UN-SG has exclusive Administrative jurisdiction so designate UN Charter Law Makers Scholars that will have exclusive jurisdiction to verify the obvious CLAIM and plan strategy to get it managed by UN-SG Administration

Only the UN Charter Law Makers / Scholars designated by UN-SG, have the exclusive jurisdiction to talk about the CLAIM of Non Constitutional Administration of UN Charter. So its imperative for them to know about very advanced subject matters Never Heard Before, such as Deadlock in Constitution of UN Charter, Million Year Constitution, etc.

Ultimate AIM is to work together to protect ongoing Burning of Entire Human Race in two ways—Law enforced--

- Terminate Administration of ongoing Very Very Severe Crime –The SMART Crime
- Begin Administration of New Era of Advanced Civilization with Very Very Severe Justice –Jersey Justice.

**Jersey Justice is the heart CHILLING CRY of Every Child to Judiciary – ‘ GIVE MY 18 YEARS’**

that Judiciary has taken away from every child at that time when child is meek, innocent & not eligible to file petition to the Court of Law about his/her sufferings that continue to grow all lifetime. These initial 18 Years are exclusively of CHILD’S life span, meant for adult development, its one time childhood & youth that are snatched away for none of my fault.

These exclusive privileges’ are granted to Every Child by The Constitution of Million Year Administration (basic laws everyone knows from School Text Books,), with Molecular & Mathematical precision—BUT—Snatched away by Man made Constitution of UN Charter of 75 years because of Non constitutional Administration of UN Charter.---Grave Injustice to Children.
