My focus point contribution to this Court

The Child custody granted is endorsed by judicial authorities and Innocent Children are traumatized not only upto 18 years but lifetime. Serious damages to their Precious health are carried forward to their future generations too.

Relevant to issue, with my exclusive Medical background of 24 years research in Child development across the world I submitted my pleading points to Court on 15th of March 2025, to comply with Court order. The purpose is to pray judiciary to protect children from ongoing damages, Enforced by Law.

Root cause of Child Custody issue is the Deadlock between Judiciary AND Administration of Indian Government, being a UN member Nation among 193 UN members. UN Headquarter in New York, U. S. A..

Bound by Laws of International Court of Justice, Hague, Netherlands and Constitution of Laws in UN Charter Government of India will continue 'as it is'. So, under the Administration of Government, the judiciary will continue 'as it is'.

UN Charter is Agreed and Signed between United Nations and National leaders ( Government) of 193 Nations, in year 1945. Both

signatories are political parties. So, they will continue 'as it is' unless get directions from Judiciary.

Judiciary will never issue directions to it's Government about UN charter Deadlock because no one in present judicial system has seen/ read original document of UN Charter which is tightly secured in another country, US National treasury of America.

So, Innocent Children and Innocent public / women will continue to suffer forever-- Bound by Law.

My Remedies are to protect Innocent children and enhance their quality of life and in massive and broadest interest of Our Nation and Human generations at large.

Government is Bound by Law to suppress advanced knowledge / Remedies, considering it as Anti World Law Activity.

In this impossible situation of Deadlock, any positive order from judiciary, will be good for Millions of Innocent Children caught in legal trap -- none of their fault but Bound by Law.
