Dear Sir:

Greetings.

Certainly, an individual Medical Doctor has nothing to do with United Nations, because it's an International organization of 193 Member Nations and it's UN constituted law—Statute of International Court of Justice ICJ/World laws, Hague Netherlands is The Last word on planet Earth.

Existing UN Administration system has the jurisdiction to let continue Dangerous Self-Destruction of it's own UN organization endlessly –unless and until their ICJ Laws are not violated and nobody destroy the UN property. This is what for UN Administration is getting paid, by the United Nations.

BUT

As presented In this very New advanced issue-- Administration of ICJ laws, lawfully enforce, people of entire world to Violates Laws of Million year Administration ( Medical Sciences) Plus, Destroy it's Million Year Property, Human individuals –then—this issue is beyond and above Jurisdiction of existing UN Administration. Past eighteen years 2000-2018 are undeniable living proofs --presented on website.

To officially notify & RESOLVE this issue with UN Competent Authority is sole jurisdiction of this Solo Medical Doctor.

Now, to finalize this issue with UN '**Competent Authority**' involves few New Subject matters such as for example--Administration of Million Year Institution—Laws of Universe—Fundamentals of Medical Sciences, Constitutional Emergency, Deadlock of ICJ Laws, Deadly Killer ICJ LAW, very very severe Crime and very very severe Justice( Jersey Justice), Merits of this Solo '**Competent Authority**', Merits of Solo 'Counsel of Administration of Million Year Institution', World credible Legal Remedy to fix grass root legal problem as required by specific law category, Preventive Remedy for Ready Implementation etc.

Now, no time to lose anymore, I am looking forward to be contacted on my mobile [redacted] & [dr@legalmandate.com](mailto:dr@legalmandate.com) within three business days,
